What's "Selecting the Book by Students for KIT Lib. 2022" ?

The annual "Selecting the Book by Students" provides a not-to-miss opportunity for students to select books that fit their own research and educational needs and add them to the KIT Library collection.

Participants will visit major bookstores located in the Kyoto and Osaka area during the period and select books from the shelves.

Sign up individually or with your friends from your seminar or circles, as group registration is also available. Don't miss out on this great opportunity!

★Further details will be available at the info session after submitting the application.
